

### REMARKS

Applicant has amended the specification by inserting headings as appropriate and by revising the abstract to a form more conventional in this country. Applicant has also amended the claims to remove non-statutory claims and to eliminate improper multiple dependent claims. No new matter has been added, nor has the claim scope been narrowed by these amendments.

Early action allowing claims 1-22 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing 424662010000.
